If the Reader will please to examine this List, and allow every Regiment to be full, as they must be at opening the Campaign, upon pain of Breaking; each Regiment of Foot, Officers and all, will be 800, and each Regiment of Horse 300; It will be found that the Forces at present in Ireland are 35000 and upwards: Enough to reduce that Kingdom, without other help than Horses and Carriages for Provisions. The General is gone to view the Artillery and Shipping at Belfast. I am

Your humble Servant, W. J.

LICENSED, April 12. 1690. J. F.

Edinburgh, Re-Printed by the Heir of Andrew Anderson, 1690.
